

Specifications

Code	Units	U	A	P
Polishing (operation mode)		UPC (SM)	APC (SM)	PC (MM)
Insertion loss (typical value)	dB	0.3 (0.15)	0.4 (0.22)	0.5 (0.25)
Reflectance (typical value)	dB	-55.0 (-58)	-65 (-70)	
Durability	cycles	more than 500		more than 200
Radius of curvature (long terme)	cm	3		
Length tolerance	%	-0/+5		
Operating temperature	°C	-20 à +70 (inside)		-40 à +80 (outside)

All connectors are visually inspected

All connectors are tested at 850 nm (MM) and 1550 nm (SM), test data supplied

All products designed to equal or exceed the **TELCORDIA, GR-326-CORE** standards
